Food Establishment Inspection Report

Establishment: Linn Mennonite Christian School

Establishment #: 19 082

OBSERVATIONS AND CORRECTIVE ACTIONS

Item Number	Violations cited in this report must be corrected within the time frames below.
	Please correct any core (C) violations noted above ASAP but at least by next routine inspection
	Please go to our website to view/print the WCHD Connection quarterly newsletter
	Facility is still classified as a Category II food establishment. Facility holds 2-3 events per year where food is prepared & served to the public. Please note that students bring a sack lunch to school.
	Effective January 1, 2019, the person-in-charge must have CFPM or IL FSSMC certification and be on the premises during all hours of operation.
	If any changes are planned in the future for this establishment, (ownership changes, menu changes, equipment additions, remodeling, etc.) please contact WCHD prior to changes occurring for plan review and approval to ensure compliance.
	Please note that if establishment or group fundraiser is cooking/preparing/serving food outside of kitchen facility (concessions, steak-fry, cook-out, etc.), a temporary food/drink permit must be applied for & approved by WCHD.
	WCHD provides free food safety in-services to establishments & their staff
	Next certified food protection manager 8-hour class & exam offered @ WCHD: February 2020
	Effective January 1, 2017, Food Handler certification is required for all food employees who do not already have CFPM or IL FSSMC certification. "Food employee" means an individual working with unpackaged food, food equipment or utensils, or food-contact surfaces. Food handler certification is required 30 days from the hire date of food employees and valid for three (3) years from date of issuance.
	Ensure compliance with Smoke-Free IL Act - public places and places of employment must be completely smoke-free inside and within 15 feet from entrances, exits, windows that open and ventilation intakes; signage posted at entrances & exits; no vaping or e-cigarette use in food & drink prep area, dishwashing area, and storage area; no smoking within building structure.
	This facility is on the NTNCPWS program and must routinely collect water samples as required
