***** Attach a narrative, detailing how your application conforms to the following: *****

The Zoning Board of Appeals shall make a finding in consideration of the granting of the Variance:

- A. Non-conforming uses in the same District and permitted uses in other Districts shall not be considered grounds for issuance of a variance.
- B. That the granting of the variance requested will not confer on the applicant any special privilege that is denied by this ordinance to other lands or structures in the same District.
- C. The ZBA will make a finding that the reasons set forth in the application justify the granting of the variance.
- D. The ZBA shall make a finding that the granting of the variance will be in harmony with the general purpose and intent of this ordinance and will not be injurious to the neighborhood, or otherwise be detrimental to the public welfare.
- E. The variance requested is the least amount of variance required to allow the proposed structure on the existing lot, without regard to aesthetics or personal inconvenience to the property owner.

I, (we) certify that this proposed Variance will conform to the standards for Variances in the Woodford County Zoning Ordinance, and that all of the above statements and the information contained in any attachments, documents or plans submitted herewith are true to the best of my (our) knowledge and belief.
