Hi Chris,

The wind turbine generators depicted in the attached document comply with IDOT standards for the Unzicker Restricted Landing Area.

Please be advised our standards do not supersede those of any local zoning board.

Regards,

Troy

Troy,

We moved one turbine that was near Mr. Unzicker's RLA and wanted to make sure it's location was okay with IDOT. I am requesting your opinion per a requirement in Woodford County's ordinance

**Unzicker
Restricted Landing Area**
Panther Grove Wind Project
Woodford County, IL
September 22nd, 2020

- Turbine Location
- Unzicker RLA
- IDOT Approach Surface
- Horizontal Zone Setback
- Conical Zone Setback
