g. Purchase of Wide Format Scanner/printer for Recording

Previous discussion regarding the wide format scanner was thought to be under the \$10,000 threshold. A used scanner with one year support can be purchased. The County Clerk has found a new scanner with 5-year support service for \$10,945.20. This does not include shipping or set-up fees. The scanner will be purchased out of the Recorder Automation fund. Motion to approve the purchase of the scanner and the 5-year support made by Barth, seconded by Ferris. The scanner will be delivered to Annex 4. We have no loading dock here, so we will have to pay to have it set up here, and then pay to have it set up at the Courthouse once we move back into the Courthouse. *Motin passed.*

h. Support for Scanner/Printer

This was discussed and approved in g above.

8. Unfinished Business

a. Update to Travel Ordinance

We changed the rate of reimbursement for meals at last months meeting. Currently we have a \$500 limit of reimbursement. With conferences being held out of state, or prisoner transports, airfare, hotel, meals and conference registration fees, it can often exceed \$500. The committee needs to decide if the \$500 limit should be kept in or taken out. Discussion if more than one person attends a conference, does the \$500 limit pertain to each person or combined? It was decided that the \$500 limit is for each person. Motion made by Barth to take out the \$500 limit and leave it to the Department Heads discretion, seconded by Ferris. *Motion passed.*
