He expressed desire for the job to be given to Mr. Abney. Motion to move to the full Board the appointment of Tim Abney as Animal Control Administrator made by Parsons, seconded by Krug. Assistant State's Attorney Gibson met with Mr. Abney this past week and went over the expectations, duties, and call volume. Mr. Abney was present at the meeting and was informed that he would need a special use permit. It was asked about the acreage that he would be housing the animals on. This is a large farm, but he will be using a 1 acre lot on the farm. He will have the basic contract that the old animal control administrator had with the addition of \$10 a day for housing animals for court cases.
