- Winnebago County: 1 female 70s

Currently, IDPH is reporting a total of 112,017 cases, including 4,884 deaths, in 100 counties in Illinois. The age of cases ranges from younger than one to older than 100 years. Within the past 24 hours, laboratories have reported 21,643 specimens for a total of 769,564. The statewide 7-day rolling positivity rate, May 16 – May 22 is 12%.

\*All data are provisional and will change. In order to rapidly report COVID-19 information to the public, data are being reported in real-time. Information is constantly being entered into an electronic system and the number of cases and deaths can change as additional information is gathered. Information for deaths previously reported has changed, therefore, today's numbers have been adjusted. For health questions about COVID-19, call the hotline at 1-800-889-3931 or email [dph.sick@illinois.gov](mailto:dph.sick@illinois.gov).
