TIME: 9:00am - 11:00am

LOCATION: Peoria City/County Health Department, LL100

AGENDA

- I. Finalize Goals and Objectives
- II. Strategies Determination
- III. Identify Key Stakeholders

Behavioral Health Meeting Tri-County MAPP

DATE: August 25, 2016

TIME: 9:00am-11:00am

PRESENT: See sign-in sheet

Finalized Goals and Objectives

The final goals and objectives were presented; and the committee approved the following items.

Goal 1: Improve Mental Health through prevention and access to services for the residents of the tri-county region.

Objective 1.1: Increase the proportion of adults reporting good mental health from 72% to 80% by 2019.

Objective 1.2: Reduce the suicide rate by 10% from the 11.0 deaths per 100,000 within the tri-county to 9.9 deaths per 100,000 tri-county residents.

Goal 2: Reduce Substance Abuse among tri-county residents, especially youth.

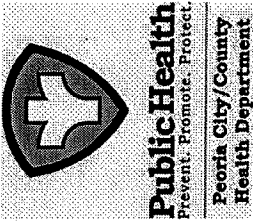

Objective 2.1: Reduce the rate of drug-induced deaths with the tri-county region from 16.3 per 100,000 tri-county residents to 14.7 per 100,000.

Objective 2.2: Increase the percentage of 12th graders within the tri-county that disapprove the use of marijuana by 20% from 63% to 83%.

Strategy Determination

Surrounding Goal 1, strategies include Behavioral Health Primary Care Integration, Culturally adapted healthcare, Mental Health Benefits legislation, School-based Social and Emotional Instruction. Goal 2: Reduction of Opioid Abuse, Behavioral Health Primary Care Integration, Justice System Level Interventions, and Youth Information. A survey with feedback to finalized strategies with connections to hyperlinks.

Monica Hendrickson, Epidemiologist, Health Protection
