Behavioral Health Meeting Tri-County MAPP

DATE: Monday, September 19, 2016

TIME: 9:00am-11:00am

PRESENT: Patrick Durley (ROE 53), Dean Steiner (UPMP), Joby Gardner (Family Core), Julie Herzog (TCHD), Nancy Hinnen (HOI United Way), Suzanne Spears (NAMI), Melissa Adamson (PCCHD), Amy Fox (TCHD), Katie Johnson (Peoria Police), Marilyn Oertley (OSF SFMC), Kerri Viets (TCHD), Mike Kennedy (Human Service Center), Joanie Montoya (Advocate Eureka), Hillary Aggertt (WCHD), Sharon Beeney (South Side Mission), Mike Wells (Children's Hospital), Divya Joshi (OSF), Sara Sparkman (TCHD), Beth Lawrence (NAMI), and Monica Hendrickson (PCCHD)

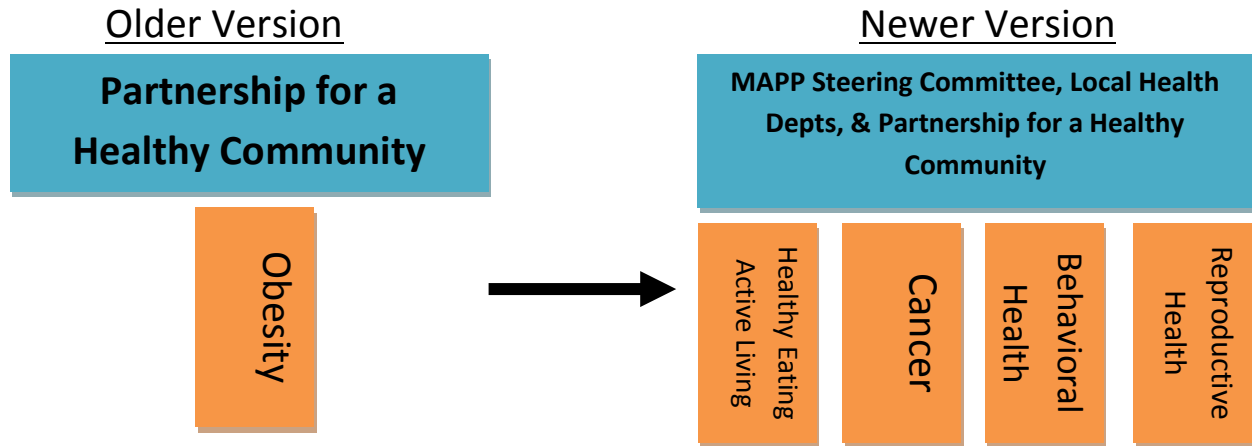

Goal/Objective/Strategy Finalization

The meeting began with the review of the dashboard goals, objectives, and strategies. From the survey feedback, the subcommittee requested additional discussion on Goal 2, Strategy 4: Targeted truancy interventions. This strategy works at youth-focused interventions on healthy choices. The scientifically supported strategy's primary outcome is increased graduation attainment, with secondary benefits including reduction in substance abuse. The Regional Office of Education (ROE) is ultimately tasked in truancy reduction. With the inclusion of the strategy, the efforts by the ROE will be identified and supported, assisting in gap reductions and resource alignment. The finalized goals, objectives, and strategies are attached.

Responsible Leaders/Accountability

After discussion of different ways to organize the committee; youth vs adult, strategy specific, goal areas, -it was determined to have a Behavioral Health Steering Committee. This committee represents healthcare, education, law enforcement, community agencies and taskforces across all three counties. The goal for the overall improvement process would be to re-invigorate the Partnership for a Healthy Community (www.healthyhoi.com) with all four areas of health reporting to the larger board.

Monica Hendrickson, Epidemiologist, Health Protection

The next meeting will be scheduled with the Behavioral Health Steering Committee Members only. At which point there will be discussion on next steps including organizational and communication expectations.

Please begin submitting current work around the strategies and goals to be incorporated into the Improvement Plan.

MAPP Behavioral Health Subcommittee

Updated: 9/19/2016

Goal/Objective and Strategies/Tasks	TIMELINE	Responsible Leaders	Performance Indicators	Status as of MONTH YEAR	NOTES
GOAL 1: Improve Mental Health through prevention and access to services for the residents of the tri-county region.					
<u>Objective 1.1: Increase the proportion of adults reporting good mental health from 72% to 80% by 2019.</u>					
<u>Objective 1.2: Reduce the suicide rate by 10% for the 11.0 deaths per 100,000 within the tri-county to 9.9 deaths per 100,000 tri-county residents.</u>					(In 2014, 40 deaths were attributed to suicide self-harm)
<u>Strategy 1: Behavioral Health Primary Care Integration</u>					
<u>Strategy 2: Culturally adapted healthcare</u>					
<u>Strategy 3: Mental Health Benefits Legislation</u>					
<u>Strategy 4: School-based Social and Emotional Instruction</u>					

GOAL 2: Reduce Substance Abuse among tri-county residents, especially youth.

Objective 2.1: Reduce the rate of drug-induced deaths with the tri-county region by 10% from 16.3 per 100,000 tri-county residents to 14.7 per 100,000.

(In 2014, 59 deaths were attributed to drug overdose)

Objective 2.2: Increase the percentage of 12th graders within the tri-county that disapprove the use of marijuana by 20% from 63% to 83%.

ILYS 2016 results

Strategy 1: Reduction of Opioid Abuse

Strategy 2: Behavioral Health Primary Care Integration

Strategy 3: Justice System Level Interventions

Strategy 4: Targeted truancy interventions
